

2021/2022 Titan of the Year

This is the most prestigious award presented to a member who has performed beyond the normal call of duty in a voluntary capacity during the season to support the Club and its members. The TITAN OF THE YEAR is someone (male or female) who has made a real difference to the Club and who has represented the Club in a respectful and reputable manner.

Jesse Figueras

Age 18

Goalkeeper of the Senior Men's Team

Assistant Coach

From the very first day of the season, Jesse has un-interruptedly supported the club and its members throughout the season in all youth hockey practice sessions. Jesse's dedication and commitment has made him a highly reliable and responsible person who has gained the trust and respect of the coaches, players, and parents.

His consistency in assisting the club on its growth and success has seen him at the hockey field nearly every day of the week. To this, we must also add his educational and studying demands in his final year of A Levels, which most certainly adds further merit to his dedication.

Not only has Jesse performed formidably as goalkeeper of the Senior Men's Team; he has also assisted in the coaching of other club goalies in different categories such as senior ladies and junior Hockey5s girls.

Below are some of the things Jesse has done:

Grassroots

Jesse has performed in an assistant coach role on the Friday training activities with our 4 to 8 year-old 'Grassroots' group. He has prepared, led, and delivered the warmup section of these weekly sessions in a fun manner which the group thoroughly enjoyed.

Hockey5s

With a total of five participating teams in the domestic youth hockey5s competitions, Jesse has undertaken the role as assistant coach at training sessions and even dared with the role as team Manager and Umpire at matches.

Jesse will embark on his university experience in September 2022 and although he will be missed, we will make sure our 'Titan of the Year' sticks around every time he is in Gib.
