**GIBUNCO** GROUP

**Vol.24**

## 2023/2024

With solid foundations, our club keeps moving forward and continues to mature year after year. Always aiming at not only becoming better, but also doing better.

This we achieve with the help of those who believe in us.....our partners and sponsors. The ones who stand behind us all the way!

### Our main partners of our competing teams!

This is the third year which we have had the privilege of having such a strong local firm supporting us.

A logo displayed in over 90 female playing kits and over 70 male playing kits. Every single Titans member wears it proudly, as to us this is not just a logo, it is a part of our identity.

Our journey with GIBUNCO GROUP so far has been incredible. Their support helps us do more for our club members but also allows us to extend this to our local community through social integration.

*Thank You!*

**AMA Services Ltd become main partners of our**

### Grassroots non-competitive group!

We welcome AMA Services to our limited group of partners. As main sponsors of our Grassroots group, we are delighted to have them join us and look forward to launching the new kits soon.

This group will see a total of 40 kids aged 4 to 8 dressed in the Titans colours giving them a sense of belonging from their very early days in hockey.

As a second sponsor to our Grassroots group, we also have newcomers to our club IBERIS MARINE. They have wanted to join in by supporting our youngest group and have taken sponsorship exposure on the kits too.

Thank you, Iberis Marine, for putting your trust in us. We are very excited to be working with you!

A sister company to AMA Services Ltd did not want to miss out and also wanted to be part of the Grassroots branding.

Welcome HNECO and thank you for completing the sponsorship branding opportunities available for this group.

### Talent Award Sponsors

Another year where BASEWELL LTD has committed to sponsoring our Talent Award winners at participating in an elite

camp (this time in Holland).

Their support makes this amazing development opportunity an unforgettable experience for our two remarkable young players. Thank you so much!

### Titans 'Giving Back' Scheme

The club is happy to announce the Titans 2023/2024 'Giving Back' chosen Charity for the season is The EV Foundation Trust for Families in Need.

The club will donate to The EV Foundation Trust part of the profits made throughout the year at fund-raising events organised by the club, as well as 100% of monies raised at the AMA Hockey Corporate Day to be held on 10<sup>th</sup> November 2023.

### Supporting our community

Titans HC is always looking at ways of doing more. We are super proud and thrilled to have teamed up with the Care Agency by offering accessibility to join our club to a number of young children under their care.

This new collaboration will see children participating and integrating into our teams, offering a happy place to enjoy the development, the competition and the social events thanks to the sponsorships and funds raised by our club.
