End of Season Fun Day

17th June

After last year's end of season Fun Day, expectations from our members and their families were very high.

The afternoon started by recognising the growth and interest for hockey by our non-competitive 'Grassroots' group who were presented with individual medals for their participation and a massive THANK YOU to all the parents who support and encourage their young ones to participate and be part of a team sport such as ours.

Having the right gear is extremely important in the hockey field.....and our members knew exactly what to bring ☺

We had music, two 4m x 25m long Slip 'n' Slides, rubber rings, water guns, water pools and plenty of washing up liquid.....

An environment where EVERYONE has fun and where the youth and seniors are all kids.

As a responsible hockey club, we always make sure our participants receive a balanced diet of sugars.....

(baked by Jessica Consigliero and generously donated by Carla Brooks).

and salts.....

(The three massive Paellas from Dinning 54 were very generously donated by J Balban Electrical Ltd)

Without a doubt, this has become the youth's favourite fun event of the season.

Titans at Bahia Park

27th June

The club spent the day at the Algeciras water park with some of our Hockey5's' minis and juniors players.

A truly fantastic group!

Funny how they each selected their targets and not even the camera girl was spared lol.

MOMENTS TO CHERISH!
