The GIBUNCO Junior Leadership Award

For the second year running, the club has once again offered this award to its members. This year we have three candidates working hard at successfully achieving this award.

This program not only helps our members develop their understanding of the sport, it also widens their understanding of the club and the work which takes place away from the hockey pitch and all those who support us.

Fund-Raising Raffle

A very successful event where the club managed to achieve its desired sales. This could not have been possible without the generous support received from Newton Store who supported the club with the 1st and 2nd prize of an iPad and Air Pod, respectively.

And from Biancas Restaurant who donated the 3rd prize with a meal for two.

A massive CONGRATULATIONS to our three lucky winners.

As part of our 'Giving Back' scheme we are happy to have contributed with a £200 donation to PossAbilities.

Summer Camp

A very exciting summer is up ahead!

Titans is organising a summer camp led by two-time former Belgian Olympian Jerome Dekeyser, for 13 to 17 years old hockey players.

This summer camp will take place at the Victoria Stadium from 7th to 12 August 2023 and will welcome the participation of 60 international athletes, 20 Titans players and 30 hockey members of other local clubs. It is the first time ever that a camp of this nature is being hosted in Gibraltar and our committee, together

with Mr. Dekeyser are working hard at making this event a success.

This camp is aiming at offering a hockey summer destination to players abroad where we promote not only top hockey sessions delivered by a former Olympian, but also including in their daily itineraries the opportunities to enjoy Gibraltar's touring sites and our fun summer water activities.

An intense 6 days of activities both on and off the pitch which we are certain those attending will enjoy to the fullest whilst making new friends and enjoying the Gibraltarian hospitality.

Sponsorship Packages

Our new Sponsorship brochure is now out! With many interesting sponsorship opportunities suitable for all budgets.

Unlike many other sporting sponsorship requests, we approach sponsorships as a partnership. Not only do we ensure our sponsors receive as much exposure as possible, we also make sure they are kept up to date with the club's developments and achievements. **Our success is your success!**

We are a club which differs from many. For us it is equally important to develop the sporting skills as it is to develop character skills which will shape our youth into respectable individuals for our loving community.
