CHRISTMAS

9 a-side Competition

The 9 a-side friendly competition concluded as scheduled. A very useful competition which has highlighted our strengths and weaknesses which will assist in our preparation for the upcoming 11 a-side competition due to start in January.

Ladies

Our senior ladies team are ready and eager to play full pitch once again. With a couple of new signings on the way to increase the squad composition, we are confident their hard work and commitment will reap its rewards.

Men

Our men played their first ever competition and set their presence in the local male hockey. The diverse combination of abilities amongst its players show promise for future competition. Their determination on the pitch leaves no doubt that they will grow from strength to strength.

Youth Hockey5s competition

This competition is currently ongoing having started in November and running through to February 2022.

Minis With our 3 teams currently at the top half of the results table, we are very pleased to see how our young members are developing.

Juniors 2 teams and both equally effective. The intensity, efforts and perseverance they demonstrate week in week out is simply inspiring.

Grassroots

The introduction of in-house club competition has seen a significant improvement in their abilities, especially in ball control and confidence in putting into practice the skills acquired so far.

International Appointment

Our very own Diana Soussi Avellano has been appointed by the European Hockey Federation as Judge at the upcoming European Indoor Women's Eurohockey Club Challenge I in Croatia from 18th to 20th February 2022.

This competition will host sixteen matches in three days jointly officiated by Diana and another EHF appointed international judge from Germany.

Sportsmanship Award

We are proud with the numerous sportsmanship actions already recorded. With a strong belief that our player moral behaviours are just as important as their physical abilities, we are confident we will see more of these outstanding qualities.

This award remains un-sponsored!

Talent Award

Awarding this recognition to just 2 members will require long deliberation. In just three months we have already identified various deserving candidates. With promotional opportunities coming up in January, it will be interesting to see the impact this will have on the player's performance.

Youth Fun Day

With go-karts, inflatable slides, jumping castles, face painting, and lots more, all you could see were smiles and all you could hear was laughter! Our social affairs committee out-did themselves once again.

Club Christmas Party

Although our original plans had to be changed last minute to reduce numbers, we still got to celebrate at a smaller scale.

With the 2021 already behind us, we take this opportunity to wish you all a very prosperous and happy new year!
