Senior Men's National Team

Led by three Titans coaches, they travelled to Skierniewice, Poland from 23rd to 29th July 2023 to compete in the EuroHockey Men's Championship III.

(Head Coach - Kevin Casciaro, Team Manager - Diana Soussi, Assistant Coach - Adria Bado. Titans players, Giovanni Origo, Ethan Balban and Jesse Figueras).

Saying that the lead up to this competition was challenging, is probably an understatement. Nevertheless, the team pulled together and got to Poland in the end.

With only 13 field players and 2 goalkeepers, our lads played a total of 5 matches against the likes of Malta, Lithuania, Serbia, Croatia and Poland.

The team represented our nation and the association proudly, winning 3 out of 5 matches and finishing in 3rd place!

A huge congratulation to the full team and especially to the Titans members involved.

Senior Female National Team

Gibraltar's female national team also took a place in European Competitions this summer for the first time ever. They participated in the EuroHockey Women's Championship III in Zagreb, Croatia from 24th to 29th July 2023.

Definitely a step in the right direction for women's hockey and a testament of the support and trust our ladies have received from the association.

A small competition with only 4 teams participating at this division, but strongly and fiercely contested by nations such as Croatia, Turkey and Switzerland.

Although our ladies were defeated in their 3 pool matches, they achieved victory in the crossovers awarding them 3rd place.

CONGRATULATIONS to Shania Consigliero and Jinane Douaoui for having made it through the selection process and for having participated in the first ever Gibraltar's female national team.
