

# TH PRESS

Gibraltar Orthopaedic & Medical Clinic

**Vol. 1**

## Communication stream with our partners and sponsors.

Welcome to the Titans hockey family. As partner/sponsor of our club, your support is greatly valued by us and we wish to keep you informed of the Club's progress and developments. For this purpose, we have designed this communication platform called 'TH PRESS' which will be circulated to all our partners and sponsors as developments take place.

As financial contributors to our Club, we find it extremely important that you are informed how the club utilises and manages the funds received by yourselves.

## WE GROW

## THANKS TO YOU!

The financial needs of any amateur sporting organisation is one of its main pillars as this dictates the possibilities and opportunities which can be offered and enjoyed. Therefore, it is fair to highlight your behind the scenes but yet impacting involvement in our club and its exciting journey ahead.

### Our Partners

The Club currently has two partners being Gibunco Group and Gibraltar Orthopaedic & Medical Clinic.

Our partners are businesses who have committed to our club's funding on a long term basis with an annual substantial financial support.

The Gibunco Group is a new partner to our club who are funding our club's teams participating in all and/or any association organised domestic competition, as well as supporting the members enrolled in the Titans Junior Leadership Award.

Gibraltar Orthopaedic & Medical Clinic

Gibraltar Orthopaedic & Medical Clinic is a returning partner of our club who continue to support the club's ethos, vision and growth and whose funding go towards the club's running costs, as well as sponsors of our Grassroots non-competitive hockey group available to our 4 to 8 year old club members.

The club is working on securing a third and final partner to help us resource the necessary protective equipment for our goalkeepers and develop them accordingly with the appropriate gear in a safe and fun environment.

### Our Sponsors

We are also delighted to offer sponsorship opportunities to firms who wish to contribute towards the Club's funding on a short-term event/award basis (for the 2021/2022 hockey season only, but not limited to).

These sponsors support the following recognition awards:

#### Talent Award

This being a very challenging award whose objective is to motivate our members by way of reward for their hard work, dedication and perseverance. The award will fund the participation of two playing members (male or female over the age of 15) who acquire a level in skill and ability superior to their age, at a suitable talent camp in Europe.

#### Titans Sportsmanship Award

Special attention is given to encourage and educate our members with the right moral and performance skills. To achieve this, we have introduced this award which will be presented to a member whose moral skills and behaviour is an example to others.

Sponsors are currently being closed off and we would like to thank BASEWELL LIMITED for supporting our awards and ideals.

#### Website advertising

The club launched its newly designed website in June 2021 [www.titanshky.com](http://www.titanshky.com) with advertising space. This is a further means of sponsorship available as business promotional exposure and affiliation with our club. A platform available to numerous interested businesses.

Our club committee members are committed to offering opportunities and maximum exposure to its partners and sponsors.
