## END OF SEASON FUN DAY

An event which keeps getting bigger and better year after year and which never disappoints!

A fun filled afternoon where laughter is the music, water the energy and friendship our unity.

The day was absolute madness. They say a picture speaks a thousand words but the universal language of a smile says it all.....

## CHECK IT OUT!

Year after year the kids are becoming more pro at slipping and sliding.

We go head first, feet first.....doesn't matter.

Just make sure to get out of the way.

COMPETITIVE CREATURES these lot....lol.

The inflatables were the essential accessories but we couldn't forget the really young ones.

A nice calm pool was made available for them to keep them away from the rush and bash.

**Everything is possible at the Titans End of Season Funday!**

Who says you can't run on water?

Or that sharks aren't friendly?

You can even practice your mischievous target shooting whilst holding on to a rubber ring and look as cool as ever.

And with a goodbye hug, we close off our competition year and look forward to the next.

# ENJOY THE SUMMER!
