Megan on the big screen!

Women's hockey made an appearance on local TV's 'The Sports Locker'. With representatives from each of the locally competing 1st divisions teams, Megan Avellano represented our Women's team

A very interesting interview where Megan got the chance to talk about the part our club plays in Gibraltar's female hockey.

Diana goes official again!

Diana was appointed by the European Hockey Federation as judge to the Indoor Club Trophy EuroHockey competition in Cambrai, France from 17th to 19th February 2023. This tournament consisted of eight teams fighting for 3 promotion slots.

Diana's judging participation saw her receiving Tournament Official (TO) opportunities in four of her ten matches with her last being on the 3rd & 4th place match.

Dekeyser Hockey Camps

Former two time Olympian striker, Jerome Dekeyser, delivered weekend day camps to our titans playing members.

It was exciting and an absolute privilege to have someone of such a high level in hockey coaching our players.

We are sure this will be the first of many camps and hockey activities the club will do with him.

Megan Travels to Brussels

As a Gibraltar Hockey executive committee member, Megan was invited to travel to Brussels in March 2023 to represent the Gibraltar Hockey Association at the European Hockey 'Equally Amazing Executive Leadership Forum'. A three day conference hosted by the EHF filled with inspiring key speakers.

With a very intense itinerary, our young Megan took the opportunity with great enthusiasm and hunger to learn from other national associations and meet new friends...

... and top hockey celebrities, such as, Belgian Olympic gold medalist, Thomas Briels.
