Vol. 9

This was our first ever Annual Awards Ceremony which was very well attended. The elegant setting of Waterfront Restaurant was complimented with a smart dress code and formal sitting plan.

The awards were presented by Diana, President of the club who opened the night by thanking each and every one who has contributed to our clubs achievements and who offer their continued support.

The nerves were high and the anxiousness of many were uncontrollable, where the following was presented:

Certificates of Recognition

A total of 10 individuals received these certificates as a token of recognition for having helped the club in different ways throughout the season.

Player's Player

At the end of every match, it is customary that players vote for their best player of that match. It was therefore felt that a further trophy was to be presented (in the season).

Junior Leadership Award

Five individuals successfully completed the Junior Leadership Award. The candidates were assessed on their training/match commitment, introduction seminars to umpiring, officiating, match analysis, and the importance of club governance.

Award sponsored by

Sportsmanship Award

With numerous actions of sportsmanship throughout the season in all our competition categories, it was the action of Giovanni Origo (team Captain at the cup final) who was awarded such recognition.

A very generous and humble action by Giovanni where he gives the privilege of receiving the Cup trophy as champions of

the 2nd division men's cup competition to our young striker Ethan Balban and goalkeeper Jesse Figueras for their outstanding performance at this match.

Talent Award

An award with a huge reward where the club enrolls two exceptionally talented individuals to a suitable talent camp in Europe. This award was presented to Ethan Balban and Ruby whose efforts and work ethics have been a true example to many.

Award sponsored by

Titan of the Year

The prestigious recognition as 'Titan of the Year' could not have gone to no other than Jesse Figueras for his devotion and full dedication to our club and its players.

Award presented by the 2020/21 Titan of the Year, Megan Avellano
