Vol. 2

Pre-season Preparations

During the summer the club has been organising and co-ordinating the purchase of all the upcoming season's needs.

Our coaches have all renewed their safeguarding qualifications and eager to get started.

Men's team

Titans is now a gender balanced club. Our club's vision is all about offering equal opportunities to all regardless of age, ability, gender, race, ethnicity, nationality, religious belief, sexuality, or social economic status. This is yet another step in the right direction where we will be able to offer in an equal manner what our female players currently enjoy.

We can't wait to see our boys' team participating in the Hockey5s junior competitions as well as our men in the senior 11-a-side.

Our new playing kits are here!

Thanks to the partnership established between the club and GIBUNCO GROUP, Titans HC can provide uniforms for all our participating members in the GH domestic competitions. With 60 full field player kits for each gender, the club is now ready to enjoy and grow.

Our Grassroots also in uniform

To ensure our young Grassroots group also have a feeling of belonging, GIBRALTAR ORTHOPAEDIC & MEDICAL CLINIC have sponsored this non-competitive group.

This group can now kit 40 kids aged 4 to 8 and to aid their development, the club will organise internal competition amongst our group members with the aim of preparing them for future official competition.

EHF Equally Amazing

Titans is a firm supporter of the European Hockey Federation's 'Equally Amazing' campaign which stresses the equal importance of all in hockey, whether male, female, young, old, field player, goalkeeper, umpire, official, committee member, professional, amateur etc.

This logo has been included in all our club's clothing (grassroots, juniors and seniors) to remind and support such an important message.

Welcome OBO to Titans HC

We are extremely pleased at having the No.1 goalkeeping equipment brand supporting our club by way of discount on

purchases.

Such discount will facilitate the purchase of multiple kits to procure the various sizes required.

Junior Leadership Award Programme

We are extremely proud to introduce this new programme for our junior members. This is an optional one-year programme comprising of a list of tasks they will need to perform in order to successfully complete the award. Our juniors today will become our future committee members, team coaches, team managers, captains, umpires and officials. Developing them is developing our club!

The Future of Titans Hockey Club lies with you!
You are the future committee members, team coaches, team managers, captains, umpires and officials.

- Below is a list of tasks you will need to perform in order to successfully complete this award:
- 75% Training attendance
 - 75% Match attendance
 - Fill out a match sheet
 - Assist on pitch in at least three lower level training sessions
 - Play at least two higher level matches
 - Video record a match for classroom discussion
 - Attend at least one coaches' committee meeting
 - Multiple Choice Quiz

2021/2022

We look forward to the interest of our youth in this programme which will contribute towards the development of life skills they will benefit from in the future.

Partners short clip

We want to make sure our partners and sponsors receive as much exposure as possible. For this we have produced a short clip featuring the companies which now form part of our club. This clip will be launched at the beginning of the season on all our social media platforms and club website.
