

TH PRESS

Vol. 3

It's competition time!

The Hockey Association is kicking-off the 2021/2022 season with a 9 a-side senior open division competition which will run from October to December 2021.

Both our Male and Female teams are ready to enjoy hockey and make our partners, sponsors and supporters proud.

Youth Competition

The association's youth Hockey5s competition is due to start after mid-term. With over 50 participating members in 4 registered Titan's teams, our youth players are anxious to get on the field and play.

Membership

Last year we recorded a total of 62 club members. The projected number of members for the 2021/2022 season was estimated at 120. It's only October and we have already registered 103 members.

We are super excited with the interest Titans HC is generating in our community and the rapid growth the club is experiencing.

Senior Women

Our senior women's team will be using the 9 a-side competition to work on their tactical, technical and physical preparation for the 11 a-side competition

scheduled to start after Christmas.

Although we have the youngest team in the senior ladies division, we definitely give all the other teams a run for their money.

New Coach

The club is delighted to welcome PAUL EVANS as coach of the Ladies 1st Division team.

Paul has been working with our ladies for a few weeks now and we are pleased to see how well he has integrated with the team. We are certain he will be an important part of a successful season for our ladies.

Senior Men

With 18 senior male members, our men are off to a great start with an amazing balance of mature experienced players and young energetic athletes.

The men's team is coached by Kevin

Casciaro and Steven Soussi who have both played top level hockey and are very fluent in the coaching element of the sport.

Grassroots

The club has introduced a further weekly training session which will be used to prepare them for matches and will run until December 2021.

In January 2022, we shall have them in teams and introduce them to internal competition matches.

Junior Leadership Award Programme

Our junior members have shown great interest in taking part in this award and we are thrilled to see it launched with so many participants.

We wish them the best of luck and look forward to seeing them successfully completing the award.

Recognition Awards

We are paying close attention to all our members who show potential candidacy for the Talent Award, Sportsmanship Award and Titan of the Year.

We are witnessing an amazing level of quality in ability, moral skills and devotion towards hockey and our club, and we are confident our award winners will be truly deserving of such recognition.
