Vol.10

Gibraltar National Squad (Senior Men) competes in Glasgow.

The association opened up the selection trials for the senior men's national team, travelling to Glasgow, Scotland from 21st to 28th August 2022 to participate in the EuroHockey Qualifier D Championships. Gibraltar played a four-team round-robin competition against Wales, Scotland and Switzerland.

The group started the selection process on 27th June 2022 and undertook the necessary physical and mental preparations in order to select the strongest team possible.

Our talented 17 year old Ethan Balban attended these sessions and through his hard work ethics, determination and dedication, he was successfully selected to represent Gibraltar.

Although Ethan is an all-round player, he shines the most as striker, and we were not surprised by his impressive performance at securing Gibraltar two penalty corners and numerous offensive threats.

Diana travelled to Ireland as National Competition Judge

Diana received a further appointment this year by the European Hockey Federation as International Judge for the Outdoor Women's EuroHockey Qualifier B Championships in Dublin from 18th to 21st August 2022.

This was an amazing opportunity for her to gain more experience at international competitions and a privilege to have been entrusted so quickly to take on a European National Qualifiers competition of this level.

Congratulations Diana and no doubt further appointments will come your way.

Titans welcome OSAKA as an International Supporting Brand

An absolute privilege having such a popular international hockey brand supporting our club and our members.

Their support has been received by way of club affiliation rewards and direct discounts to all our members on all purchases placed through our link.

This collaboration is effective as from 1st August 2022 where all our club members will be able to benefit from and enjoy.

Welcome to family baby Riley! Congratulations to Shannon and Jesse Olivares on the birth of their daughter Riley.

We look forward to seeing Shannon back on the hockey pitch and spoiling our newest recruit!

A special congratulations also goes to Grampa Ian and Yaya Jenny

Club's first ever Virtual AGM

This being a non-election year, the club hosted its first ever virtual Annual General Meeting on 1st September 2022. To ensure its contents reached the majority of our members, all Agenda points were recorded and presented to its members by way of a video. This video was uploaded in the main club's group and available to watch from 9am to 7pm (on the day). A platform to address any queries and the closing of any other businesses was also provided.
